Data Sheet

# SLIM

Base from 150 cm to 250 cm

SLIM is the most compact motorized screen in the ScreenLine range, designed for environments where space is limited but elegance is a must.
Housed in a reduced-size casing with rounded edges, it reaches a maximum width of 250 cm, making it ideal for offices, classrooms, and small to medium-sized professional spaces.
Available in full white version, without borders and black drop.
